

Care1st Health Plan Arizona Performance Measure Results

Performance measure rate cells shaded green indicate that Care1st met or exceeded the CYE 2019 MPS established by AHCCCS. Measures for which lower rates indicate better performance are noted by an asterisk (*). For these measures, rates that fall at or below the established MPS are shaded green. Rates in bold indicate that Care1st performed better than the statewide average of all Health Plans.

Performance Measures for AHCCCS Complete Care (ACC) Children	2018			2019		
	AHCCCS Minimum Performance Standard	Care1st Rate Reported by AHCCCS (measurement period 10/1/17 – 9/30/18)	AHCCCS Statewide Average (measurement period 10/1/17 – 9/30/18)	AHCCCS Minimum Performance Standard	Care1st Rate Reported by AHCCCS (measurement period 10/1/18 – 9/30/19)	AHCCCS Statewide Average (measurement period 10/1/18 – 9/30/19)
